

CONFIRMATION OF THE CONCLUSION OF AN AGREEMENT ON ISSUANCE AND USE OF A PREPAID CARD /
CONFIRMATION OF ACCEPTANCE OF THE APPLICATION FOR AN ADDITIONAL CARD

Dear Client – Prepaid Card holder

We are hereby providing you with confirmation of the conclusion of an Agreement on Issuance of a Prepaid Card / acceptance of the Application for Issuance of an Additional Card (hereinafter referred to as the “Prepaid Card”), on the basis of which we are sending you your new Prepaid Card.

At the same time, we would like to share with you the most important information that you need for using/topping up your Prepaid Card.

You can find more information
on the reverse side.

IMPORTANT INFORMATION ABOUT THE CARD

Signature / Do not forget to sign your Prepaid Card if it has a signature strip on the back. The signature can serve as a specimen signature for verifying your transactions.

Activation / In order to activate the card that you have received, it is necessary to:

1. top up the Prepaid Card credit in any amount, or
2. call the Infoline at +421 2 6920 2090

USE ALL OF THE BENEFITS OF YOUR CARD

Change your PIN code / You can change your PIN code via an ATM so that it suits you.

SMS about executed payments / You always have an overview of your card payments.

HOW CAN YOU USE YOUR CARD?

Paying at stores / With your contactless card from UniCredit Bank, you don't need cash. Paying by card is fast, easy and secure.

Cash withdrawal / With your Prepaid Card, you can conveniently withdraw cash at home and abroad.

Paying in e-shops / Make purchases easily and securely from the comfort of your home.

PROTECTION OF YOUR CARD

In the event of loss or theft of your payment card, block your card without delay via the Infoline at +421 2 6920 2090.

Do not record the details of your payment card or its security code (PIN) anywhere, not even in your mobile telephone.

3D Secure automatically protects your card when paying on the internet. For each payment, you will receive a unique authorisation code via SMS message on your mobile telephone free of charge. Or you will confirm the payment using the banking application on your mobile telephone. More information is available at www.unicreditbank.sk/3DSecure.
