

Dear Sir/Madam,  
Thank you for choosing  
an international Prepaid Card  
from UniCredit Bank Czech Republic and Slovakia, a.s.

At the same time, we would like to remind you that the validity of  
your Prepaid Card will expire in the coming days. Therefore, we are  
sending you a new Prepaid Card.

Your UniCredit Bank

**BEFORE USING YOUR NEW PREPAID CARD FOR THE FIRST TIME, COMPLETE THESE TWO STEPS:**

**1. SIGNATURE**

Sign the card on the signature strip on the back of the card.

**2. ACTIVATION**

Easily activate the card via Online Banking or on the Infoline at + 421 2 6920 2090.

**At the same time, we would like to share with you the most important information associated with the replacement of your Prepaid Card.**

You can find more information  
on the reverse side.

## IMPORTANT INFORMATION ABOUT THE CARD

**By activating** / accepting the card, its holder again expresses his/her agreement with the individual provisions of the Card Agreement, the Terms and Conditions and the General Terms and Conditions of conducting banking transactions and the Pricelist.

The PIN code of your new card is identical to the one that you had with your original Prepaid Card.

## USE ALL OF THE BENEFITS OF YOUR CARD

**Change your PIN code** / You can change your PIN code via an ATM so that it suits you.

**SMS about executed payments** / You always have an overview of your card payments.

## HOW CAN YOU USE YOUR CARD?

**Paying at stores** / With your contactless card from UniCredit Bank, you don't need cash. Paying by card is fast, easy and secure.

**Cash withdrawal** / With your Prepaid Card, you can conveniently withdraw cash at home and abroad.

**Paying in e-shops** / Make purchases easily and securely from the comfort of your home.

## PROTECTION OF YOUR CARD

In the event of loss or theft of your payment card, block your card without delay via the Infoline at +421 2 6920 2090.

Do not record the details of your payment card or its security code (PIN) anywhere, not even in your mobile telephone, unless you store them in a mobile wallet (e.g. Apple Pay or Google Pay) permitted by the bank.

3DSecure automatically protects your card when paying on the internet. For each payment, you will receive a unique authorisation code via SMS message on your mobile telephone free of charge. Or you will confirm the payment using the banking application on your mobile telephone. More information is available at [www.unicreditbank.sk/3DSecure](http://www.unicreditbank.sk/3DSecure).
