You will see more detailed information and, in the case of a Positive Target Market, a Buy button.

After clicking the Buy button, the Buy Order information is displayed. Scroll down the screen to enter the amount.

At this point, enter the amount you wish to purchase your selected fund for and click Next.

An overview and important documents and information, including the Fee Simulation, are available within the overview of your Buy Order. Once you have read the documents and confirmed the Order Signature is enabled.

Sign the order using the method as instructed.
